-  You are notified on every activity at your home via SMS and email.

Simple.Smart.Safe.

Real security is built to detect, deter, observe and report.

But SAFEHOME does even more than that.

It Responds and Protects

BENEFITS

SECURITY

Protection of your prized possession is your responsibility. Whether a home burglar or armed robber, you are sure to be alerted on your phone and have help on the way.

SAFETY

In just thirty seconds a small flame can burn in to a full blown fire. With SafeHome you can act swiftly to avert disaster when you are alerted! SafeHome ensures you never come home to a surprise!

PEACE OF MIND

With a 24/7 monitor by security professionals of your home, SafeHome will always be the first to know when you need help.

DISPATCH AND RESPOND

When your home is threatened, SafeHome responds by sending help your way. Be it smoke, Gas leakage, an intruder or medical help; SafeHome dispatches the nearest emergency response unit your way.
